

Deuces Wild Fly-In Safety Seminar

Understanding and application of density altitude (DA) to your every day flying and its relationship to flying the north country.

Directions: Check with Dueces Wild event staff during the day for exact location of the seminar. Look for event/WINGS Program signs leading to the location.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
